BOSNIA POWER PLANT MEETS PLAN;  
ELECTRIFICATION CONTINUES

POWER PLANT EXCEEDS PLAN -- Borba, No 75, 29 Mar 49

As a result of effective rationalization the hydroelectric power plant at Bogatic, Bosnia fulfilled its 3-month plan on 21 March, although there was not enough water this winter. The January plan was fulfilled 143 percent and, through great effort, the 85 percent of the February plan was fulfilled. In March, when the water supply had increased, it became possible to fulfill the 3-month plan 10 days ahead of schedule.

NEW LOCAL POWER PLANTS IN THE KOSMET -- Borba, No 72, 26 Mar 49

The members of the People's Front of the village of Letnica in Gnjilane Srez in the Kosmet, who last year, built a small electric power plant by volunteer labor to provide electric lighting, have undertaken to build a larger plant this year. The new plant will be able to meet the demands of their own village and also of the four others that belong to the same People's Council.

The Front members have also pledged that they will build a turnery.

DALMATIAN VILLAGE TO BE ELECTRIFIED -- Borba, No 65, 17 Mar 49

Members of the People's Front of Bilice in Sibenik Srez are now completing preliminary works in preparation for the introduction of electric lighting to the village. They have raised about 150,000 dinars for the purchase of transformers and other equipment. They have pledged that they will bear all expenses toward electrification of the village.
